3. Fees and Commissions

- **Toolkit Fee:** Talents are required to pay a Toolkit Fee to Castfinder for each Talent Booking made through the platform. This fee is calculated as a percentage of the Service Price. The Toolkit Fee is deducted from the Talent's earnings before payment is transferred to the Talent. The applicable percentage will be communicated during onboarding and may be updated with 20 days' notice.

- **Marketplace Fee:** Producers are charged a Marketplace Fee for each Talent Booking. This fee is charged in addition to the Service Price and covers Castfinder's platform maintenance and operational costs. The Marketplace Fee is communicated clearly to Producers before the booking is confirmed.

- **Additional Fees:** Castfinder reserves the right to charge additional fees for certain services such as promotional campaigns, use of specific platform features, or use of third-party services.

4. Payment Process

- **Producers:** Once a Producer confirms a booking, they are required to make full payment to Castfinder using one of the available payment methods (e.g., credit card, PayPal, bank transfer). Castfinder holds the payment until the services have been completed by the Talent.

- **Talents:** Once the services have been completed and confirmed by the Producer, Castfinder will release the payment to the Talent, minus the Toolkit Fee. Payment to Talents will be made within [X] business days after completion of services, and the payment will be made via bank transfer or other methods specified by Castfinder.

- **Currency:** All payments on the Castfinder platform are processed in euros (€), unless otherwise agreed upon by both parties. Castfinder is not responsible for any currency conversion fees applied by banks or payment processors.
